## Winter Social Warms Newtown

NNA's Winter Social on at McCracken Hall, Trinity Episcopal Church was a huge success. More than 100 Newtown residents attended and were treated to eight different types of soups from Newtown chefs ranging from asparagus and brie to Portuguese kale to white chili and everything in between. See NNA's website for recipes. Author, Frank Albrecht presented a talk on Staunton's Opera House, complete with a slide show of stars of the past who've graced it's stage.

## Ice Cream Social Returns

The most popular NNA summer event of 2006 was the Ice Cream Social, hosted by Elisabeth and Michael Dyjak. We are pleased to announce a return of this delightful event on Saturday, July 14 at the Dyjak home, 208 S. Fayette St.. Those present last year were treated to a sumptuous assortment of ice cream, sorbets, toppings and Elisabeth's famous hot fudge sauce. Bring your favorite ice cream and/or topping.

## Canine Cleanliness Please

We've all had it happen—that suspicious smell on the bottom of one's feet after a walk in the neighborhood and the unwelcome task of cleaning off shoes, carpeting and floors. Please be kind and clean up after your canine friend. Pooper scoopers are available in Landes Park. Your neighbors will thank you and we'll all share a cleaner more sanitary Newtown.
